

What is YOUR Purpose?

In the 24/7 worlds we live in now, when is the last time someone asked you that question? When is the last time you asked it of yourself?

I ask that question all the time and it generates many different answers! But in the arena of real estate MY PURPOSE is to help you achieve your goals!

Are you THINKING of buying? You need a path that is clear to follow.

Are you READY to buy? You need an agent that represents YOUR wants.

Do you OWN a Restaurant and want to buy another? Sell? You need someone who KNOWS the restaurant business.

Are you ready to SELL your house to utilize YOUR cash for a bigger home? You want a professional listing that will minimize the days on the market.

Are you in NEED to avoid a foreclosure? You need to work with someone that has patience of the process, yet aggressive with negotiating.

What is YOUR Purpose?

When you contact me, you are working with someone who has had over 25 years in the Hospitality industry that understands on how to work with people and processes. My experience as a GM, Director of Operations, Divisional VP, and Franchise Business Consultant has afforded me the opportunity to open restaurants (site selection, build out timelines and opening training), develop training programs, and work with Operators/Franchisees to build their business. My ability to communicate this through my public speaking helps define and THEIR Purpose.

After earning my license to sell real estate in 2010, my goal was to leverage the experiences of my restaurant accomplishments to continue the success in the property arena. I am fortunate to be able to continue to use my skills to provide my clients service in real estate. And if you are going to provide a service, it might as well be High Caliber!

My dog Bronson, pictured with the Frisbee, taught me over his 14 years that his purpose is to catch the Frisbee, and mine is to throw it! Sometimes it's just that simple!

What is YOUR Purpose!
